

Bouquet Gift for Mom Craftivity

Directions

1. Fold the small tabs on the side up.

2. Flip the paper over and fold the side without the writing up on the dotted line.

3. Then fold up the side with the writing, on the line. Glue the flap down.

4. Cut some stems from green construction paper and glue them inside.

5. Now write some gifts to give Mom in the center of the flowers. Color the flowers and leaves! Then cut out and glue the flowers and leaves to the stems and sign your name on the wrapper!

(See the next page for the finished gift!)
